

## URBANby Blade

### Description

The URBANby Blade is a graceful, vehicle providing improved power and distance! This bike is a leader in its class and is regarded as the best in its class for under \$3000.00 the URBAN has a fantastic ride position and the unisex step-through frame means that means it's easy to get on and off.

The throttle is set to 6 km/ph allowing you to get started, get your balance and then pedal with comfort and confidence. You can rely on the URBAN to get you home without you having to put too much effort if you don't want to.

The URBAN comes with a basket or optional pannier bags. Plus, the 13 AH/hr battery gives you the extra power and range you need. Now fitted with front Suspension giving a smoother more comfortable experience. The URBANby Blade provides up to 70 Kms of pure riding joy.
